

Ed Sheeran Deezer Session

Today we are excited to present our brand new Deezer session with singer/songwriter of the moment, Ed Sheeran!

We invited the award winning star down to Deezer HQ in Paris to perform tracks from his new number 1 album, 'X'.

Fresh from his recent success in the States, Ed performed 'Sing', 'Thinking Out Loud' and 'Don't' to a small select audience within Deezer HQ. Also watching the Session was excited competition winner, Chris Stoneham and guest, who travelled from the UK to see the recording of the exclusive performance.

Throughout the Session Ed continued to prove to us why he has become one of the most successful and popular artists in the world. His energetic pop tones laced with fun and catchy lyrics certainly drew in the crowds, as a sea of Sheeranators waited patiently outside in the hope of catching a glimpse of their favourite red-haired pop star.

His new album is available on Deezer and you can check out the video of this performance here <http://www.youtube.com/watch?v=NQaywSA14qI>
